I am going to use what I learned during LEEP classes.

Yes _____ No _____

If yes, what did I learn that I will use?

I enjoyed the “hands-on” laboratory/outdoor activities.

Yes _____ No _____

This experience raised my awareness of water related environmental problems.

Yes _____ No _____

If so, what problems?

What do you think was the **most** important thing you learned about our lakes?

What do you think was the **least** important thing you learned about our lakes that you won’t use?

What activity did you enjoy the **most**? **Why?**

What activity did you enjoy the **least**? **Why?**

Did the LEEP **Day** experience change your attitude toward our lakes? **How?**

How can we improve the activities for next year?

What else would **you** like to learn about our lakes? Are there activities we should add next year that would help you understand more about the lakes?
