I am going to **use** what I learned during **LEEP** classes.

Yes \_\_\_\_\_ No \_\_\_\_\_

If yes, what did I learn that I will use?

I enjoyed the “hands-on” laboratory/outdoor activities.

Yes \_\_\_\_\_ No \_\_\_\_\_

This experience raised my awareness of water related environmental problems.

Yes \_\_\_\_\_ No \_\_\_\_\_

If so, which problems?

What do you think was the **most** important thing you learned about our lakes?

What do you think was the **least** important thing you learned about our lakes that you won't use?

What activity did you enjoy the **most**? **Why**?

What activity did you enjoy the **least**? **Why**?

Did the **LEEP** class experiences change your attitude toward our lakes? **How**?

How can we improve the activities for next year?

What else would **you** like to learn about our lakes?
